

ECHO the Story at Home

Bible Memory Verse: God said, "Let there be light!" -
Gen. 1:3

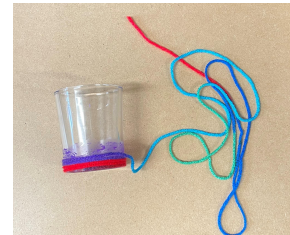

What to do with your take it home kit:

- **Read** the Spark Story Bible, pg 2, or the insert.
- **Provide** a Simple Explanation: God made everything, including you! God is the light in the world that we follow. As God's people, we are known by the light.
- **Write** down the Bible Memory Verse (listed at the top of the page) on the enclosed card and add magnet to it. Hang it on the fridge where you can see it everyday.
- **Do** something together: Create a "Let there light" votive.

Use the supplies from week one bag (glass votive holder, colored light candle, and yarn) and from home a glue stick and a sharpie/ paint pen to create a "Let there be light!" candle holder.

On the votive, use the glue stick to cover the bottom half of the holder. Wrap the yarn around the votive where the glue is. Re-enforce the ends.

Using a sharpie or paint pen, write "Let there be light!" on the votive holder. Place votive candle inside the holder. Place the light in your window. Let the light shine!

- **Pray:** Dear God, thank you for creation! Amen.
